

## 45433

# Isomaltopentaose extrapure, 95%

Part B

CAS: 6082-32-2

Molecular Formula: C30H52O26

Molecular Weight: 828.7

#### **Other Information**

Application

Isomaltopentaose, is an isomaltooligosaccharides (IMO) compound, used as functional food ingredients.

#### **General Information**

Storage 8 to 25°C (Cool & Dry Area)

**HSN** Code

1 Mg 29400000 (GST 18%)

### **Available Packages**

1 Mg
